

# THE LEARNING HUB MENTORSHIP PROGRAM

An initiative by Sri Lankan academics to empower post-A/L students with future-ready skills and mentorship.

## Learn the essentials of the modern digital world.

- Artificial Intelligence & Machine Learning
- Internet of Things & Robotics
- Mathematics & Statistics
- Digital Well-being and Cloud Computing
- Cybersecurity & Security Policies
- Data Governance
- Digital Business & Strategies
- Social Media & Digital Marketing
- Laws In Cyberspace

## What's in It for You

- Tackle real-world challenges that sharpen your critical and creative thinking
- Receive one-on-one mentorship from experienced academics
- Develop solutions that are peer-evaluated and publicly shared for transparency
- Earn a digital certificate recognizing your skills and contributions—individually or as part of a team

No fees involved.
